

## Sharing Moshi Monsters - ANSWERS

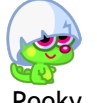

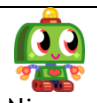

A group of children are going to share some Moshi Monsters:

- Annie wants the multiples of 5.
- Dylan wants the factors of 60.
- Brad wants the factors of 36.
- Ellie wants the prime numbers.
- Courtney wants the multiples of 3.
- Freddie wants the square numbers.

*Who gets the most, do the children have to share any and are any left over?*
