## The 6<sup>th</sup> Primary School of Piraeus

My school is the 6<sup>th</sup> Primary school of Piraeus. It has got a big playground with a basketball court and a very big tree. There are three floors and a lot of classrooms, one music room, one computer room and one room for theatre performances. All the classrooms are big. In the classrooms there is one board, a lot of posters on the walls, maps, chairs and desks. Our school is very nice and we love it.

## Fantastic Animals

The sea is home to millions of amazing animals. They are beautiful and unique, but most people only know a few of them!

Puffer fish are funny-looking but poisonous fish. They are usually quite small and have got spikes. They swim very slowly and are sometimes clumsy, but they are very clever. When another fish tries to eat it, the puffer fish never hides. It fills its stomach with water or air so it looks like a big balloon and it frightens the other fish.  
(Παρασκευά Ισιδώρα, Ε2)

## Dogs

My favourite pet is the dog, because people say that if you own a dog, you live longer! Dogs are very fast runners. They like playing all day, or hunting things. Dogs are the best in smelling or finding things and their hearing is much better than that of humans. Dogs can also sense an earthquake or a possible death.  
(Σάντρα, Δ1)

## Stray dogs

In my neighborhood there are many stray dogs! It is a habit of their owners to leave them in the middle of the street. That is why they need love and care. I recommend to feed them and if someone can take one stray dog at his home, it will be exciting!
